Welcome to APA. The Animal Protection Agency (APA) is the UK organisation committed to ceasing the trade in wildlife for pets. Perhaps unbelievably, it is still legal in Britain to sell wild animals captured from other countries. The majority of wild-trapped animals die from the stress and disease that is associated with every stage of their harrowing journey.

Precursors to IQ testing. Historically, even before IQ tests were devised, there were attempts to classify people into intelligence categories by observing their behavior in daily life. Those other forms of behavioral observation are still important for validating classifications based primarily on IQ test scores.
