Honesty On each exam day I am going to give you two examinations, one in chemistry and one in honesty. I hope you will pass them both, but if you must fail one, let it be chemistry, for there are many good people in this world today who cannot pass an examination in chemistry, but there are no good people in the world who cannot pass an examination in honesty.

Abitur (German: [abi?tu??]) is a qualification granted by university-preparatory schools in Germany, Lithuania, and Estonia. It is conferred on students who pass their final exams at the end of their secondary education, usually after eleven, twelve or thirteen years of schooling (see also for Germany Abitur after twelve years). In German, the term Abitur has roots in the archaic word ...
