Reading Groups. BookPage named The Immortal Life a Top Pick for Book Clubs, calling it “a deeply intimate look at one family’s efforts to claim its legacy.” According to Bookmovement.com, The Immortal Life is consistently in the top 10 book club picks of 2011. The Immortal Life was selected for the first non-fiction edition of The Atlantic’s 1book140 reading club.

Reading Groups « Rebecca Skloot

A book discussion club is a group of people who meet to discuss a book or books that they have read and express their opinions, likes, dislikes, etc. It is more often called simply a book club, a term that is also used to describe a book sales club, which can cause confusion. Other frequently used terms to describe a book discussion club include reading group, book group, and book discussion group.

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.
