How do I search for classes? The Schedule of Classes displays class and professor names, number of credits, and time and location of classes offered for the semester. The advanced search option allows students to search by class subject, or day and time of class offering. The Schedule of Classes can also be used to check pre-requisite requirements for classes.

Accounting rate of return, also known as the Average rate of return, or ARR is a financial ratio used in capital budgeting. The ratio does not take into account the concept of time value of money. ARR calculates the return, generated from net income of the proposed capital investment. The ARR is a percentage return. Say, if ARR = 7%, then it means that the project is expected to earn seven cents ...
